88 Points!

“An excellent value from this winery, with notes of tropical fruit, lemon oil and buttered apples, the wine is medium bodied, fresh, clean, pure, and a heck of a bargain at the price point!”

The Wine Advocate | Robert Parker | December 2015

87 Points and Great Value!

“We admit to wondering just how good a \$17 Chardonnay from Carneros could be, but from the very first sniff all of our doubts were allayed. The wine is fresh, well-defined and solidly fruity with a considered trim of sweet oak, and, just as important, it is balanced.”

Winemaker Notes Our goal is to provide you with a delicious crisp Chardonnay that is not the typical over-oaked and heavily weighted style that is so common today. Our Chardonnay showcases delicious ripe pear, melon, and green apple fruit characteristics, while retaining bright acidity and creamy vanilla notes.
