## WINEMAKER NOTES

The 2019 Hypothesis is a single vineyard Pinot Noir from the famed Roberts Road Vineyard in the Sonoma Coast AVA. This beautiful 100% Pinot Noir offers elevated notes of red and black cherries mixed with aromas of sage and baking spices. Bursts of black currant are balanced harmoniously with rustic and savory flavors. Bright acidity provides the backbone for an opulent finish.

A handwritten signature in dark ink, appearing to read "Maria Montoya", with a stylized, flowing script.
