## THE STYLE

Since our inception in 2005, we have been producing Educated Guess Cabernet Sauvignon as an answer to Napa Cabs that are two, three, or four times its price. Educated Guess's quality equals its value—sourced from some of Napa's best vineyards (think Beckstoffer Georges III, Bettinelli, and Laird Money Road), using only the best grapes. Though this wine is consistently lauded—having received Best Buy, Top Value, or Best of Class from every major wine publication every year since 2005, including #1 Selling Napa Cabernet under \$50—the depth of consumer loyalty is what makes us most proud. This wine is rich, ripe, and focused with flavors of sweet black currant and juicy blackberry intermingled with hints of shaved chocolate and tobacco. Delicious flavors framed by toasty oak and silky tannins, meld together throughout the wine's lingering finish.
