WINEMAKER NOTES

The Hypothesis Oakville Cabernet Sauvignon is produced from one of the best vineyards in all of the Napa Valley (The Money Road Vineyard in Oakville). This Cabernet is small in production and spends 18 months in French Oak barrels. The wine has incredible depth and complexity, delicious black fruits and amazing opulence. Hypothesis Oakville Cabernet Sauvignon is a muscular wine that loves to be paired with food, but is sophisticated enough to stand on its own.

A handwritten signature in dark ink, appearing to read "Maria Mourou", is located in the bottom right corner of the page. The signature is fluid and cursive, with a long, sweeping underline.
