THE STYLE

Our latest wine, Truth be Told Sauvignon Blanc, is inspired by the classic white Bordeaux bottlings from France. A blend of 77% Sauvignon Blanc and 23% Semillon, this wine was barrel fermented in neutral oak and has a vividly fresh nose of starfruit, sliced melon and seashells intertwined with expressive floral notes. A well-balanced wine with layers of citrus fruits bursts from the glass, and the crisp finish and mouth-watering acidity will have you asking for more.
