# TRUTH BE TOLD

# 90 POINTS

“A blend of neutral barrel-fermented 77% Sauvignon Blanc and 23% Sémillon strikes first with lychee and honeydew melon, followed by quick bursts of spearmint and orange blossoms. Positively vibrating acidity amplifies the flavors of nectarine tarts and green tea with a wedge of lemon.”

### Winemaker Notes:

Our latest wine, Truth be Told Sauvignon Blanc, is inspired by the classic white Bordeaux bottlings from France. A blend of 77% Sauvignon Blanc and 23% Semillon, this wine was barrel fermented in neutral oak and has a vividly fresh nose of starfruit, sliced melon and seashells intertwined with expressive floral notes. A well-balanced wine with layers of citrus fruits bursts from the glass, and the crisp finish and mouth-watering acidity will have you asking for more.
