CABERNET SAUVIGNON

2022

“This is a full-bodied red, complete with chewy tannins that are well met by the dark fruits and savory oak tones. Find notes of black currant, black cherry, toasted wood, fennel, tarragon, star anise and a hint of leather.”

Wine Enthusiast | 2021 Vintage | December 2023

Varietal: 89% Cabernet Sauvignon, 9% Petite Sirah, 2% Malbec

Winemaker Notes: This wine showcases Cabernet Sauvignon’s versatility, highlighting two fantastic winegrowing regions. A bright, fruit forward wine with supple tannins makes this a crowd pleaser. Petite Sirah contributes beautiful color and spice, while splashes of Petit Verdot and Malbec round out the mouthwatering finish.
