### The Style

Crafted from Sauvignon Blanc from the Starscape Vineyard in the Russian River Valley and Uboldi Vineyard in Sonoma, and blended with Semillon from the historic Bedrock Vineyard in Kenwood, this wine captures both elegance and vibrancy. The grapes were co-fermented and barrel fermented, adding texture and depth before spending a period of sur lie aging.

The nose is lifted with tropical fruit, nectarine, orange blossom, and lemon custard, creating an aromatic profile that is both rich and inviting. On the palate, bright acidity highlights flavors of green apple, kiwi, and a subtle note of toasted coconut, carrying through to a long, graceful finish.

This Sauvignon Blanc is at once bright and refreshing, yet rich and layered, making it a versatile companion for a wide range of cuisines or a beautifully expressive wine to enjoy on its own.
