### The Style

Some things in wine take a little guesswork—but this one's an easy call. Our 2023 Guesswork Chardonnay captures the bright, layered character of Napa Valley fruit with effortless balance. Aromas of pear, golden apple, and honeysuckle open into a silky palate with hints of lemon curd, vanilla, and lightly toasted oak.

Rich but never overdone, it's the kind of Chardonnay that makes pairing feel intuitive—seafood, roast chicken, or just a quiet evening and a full glass. No need to overthink it—just pour, sip, and let the guessing stop there.
