The Wine

Bound and Determined Cabernet Sauvignon is named after a concept central to the founding practice of Roots Run Deep Winery. Since our inception, we have been focused on a single goal, to produce outstanding wines of substance and quality that compete with wines significantly more expensive. At Roots Run Deep Winery, we are driven, some might say hell-bent, and at the very least, persistent in our desire to make the best possible wines, period.

Accolades

92 POINTS - WINE ENTHUSIAST | 2023 VINTAGE

Vivid, opulent and structural...modern generosity with an upright structure and dusty-earth tannins that nod to the classics. Black cherries, ripe berries, tobacco and baking spices linger on the finish.

91 POINTS - JAMES SUCKLING | 2023 VINTAGE

Vibrant plums and blackberries with cocoa and walnuts...full-bodied, firm and focused with lightly chewy tannins and a firm finish.

89 POINTS - JEB DUNNUCK | 2023 VINTAGE

Rock solid, the 2023 Cabernet Sauvignon Bound And Determined offers spicy red and black fruits, cedar pencil, and chocolate nuances. It's medium-bodied and has a nicely textured, balanced mouthfeel, ripe tannins, and a good finish.
