The Wine

This Reserve Chardonnay delivers the hallmarks of a classic Napa Valley style, bringing together structure and flavor in a way that feels both luxurious and approachable. On the nose, it bursts with lively aromas of honeysuckle, pear, and a touch of tropical fruit. The palate is layered and sophisticated, with ripe apple, delicate white flowers, and warm baking spice unfolding into a silky, citrus-kissed finish.

Rich yet balanced, this wine has the structure and finesse of a true reserve-style Chardonnay—perfect for pairing with a beautifully set dinner table or savoring on its own. For those who want a Napa Valley Chardonnay with both pedigree and approachability, this is the bottle you'll keep coming back to.
