The Wine

Crafted from Sauvignon Blanc from the Starscape Vineyard in the Russian River Valley and Uboldi Vineyard in Sonoma, and blended with Semillon from the historic Bedrock Vineyard in Kenwood, this wine captures both elegance and vibrancy. The grapes were co-fermented and barrel fermented, adding texture and depth before spending a period of sur lie aging.

This Sauvignon Blanc is at once bright and refreshing, yet rich and layered, making it a versatile companion for a wide range of cuisines or a beautifully expressive wine to enjoy on its own.

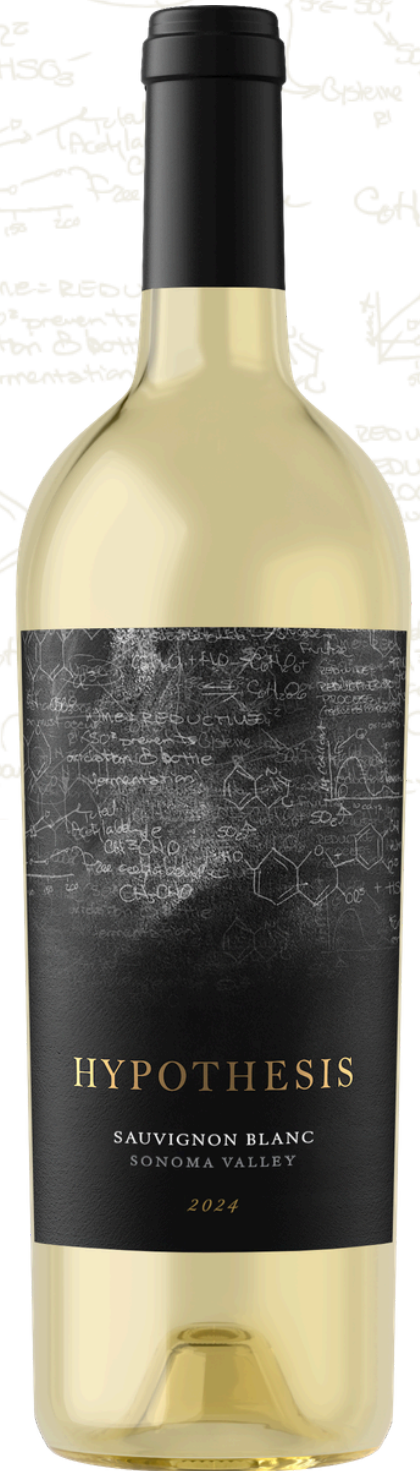

Accolades

91 POINTS - JAMES SUCKLING | 2024 VINTAGE

Spicy and perfumed with aromas of Anjou pears, magnolia blossoms, white pepper and grapefruit. Medium- to full-bodied. The palate is rich and textural with flavors of baking spices, Meyer lemons and fresh resinous herbs.

89 POINTS - WINE SPECTATOR | 2024 VINTAGE
