5400	Cases Produced
February 2026	Release Date
12.5%	Alcohol by Volume
\$30	Suggested Retail Price
	UPC Code (8-98079-00130-7)

The Wine

Our Sonoma Valley Sauvignon Blanc brings together freshness and texture in a beautifully balanced style. Sourced from Russian River-grown fruit, the wine is fermented and aged in equal parts stainless steel and neutral oak, preserving bright natural acidity while adding subtle richness and depth.

Lively citrus and fresh orchard fruit lead the way, supported by soft floral notes and a gentle touch of creaminess from barrel fermentation. The palate is clean and expressive, with crisp acidity carrying flavors of lemon zest, green apple, and ripe pear through a smooth, polished finish.

Fresh yet layered, this Sauvignon Blanc is easy to enjoy and hard to put down—perfect at the table, on the patio, or anywhere good wine and good company come together.

Accolades

90 POINTS - WINE SPECTATOR | 2025 VINTAGE

This is plump, with pomelo g  lee and shortbread notes, along with a zip of verbena, making for a fresh and flattering combo.

89 POINTS - WINE ENTHUSIAST | 2025 VINTAGE

Aromas of Meyer lemon, lime peel, and white flowers lead into a palate of rounded texture, supple acid, and pithy citrus with a stony finish.
